The other one in the house is
the Senior Elder of this planet.

He made the Dragon Balls.

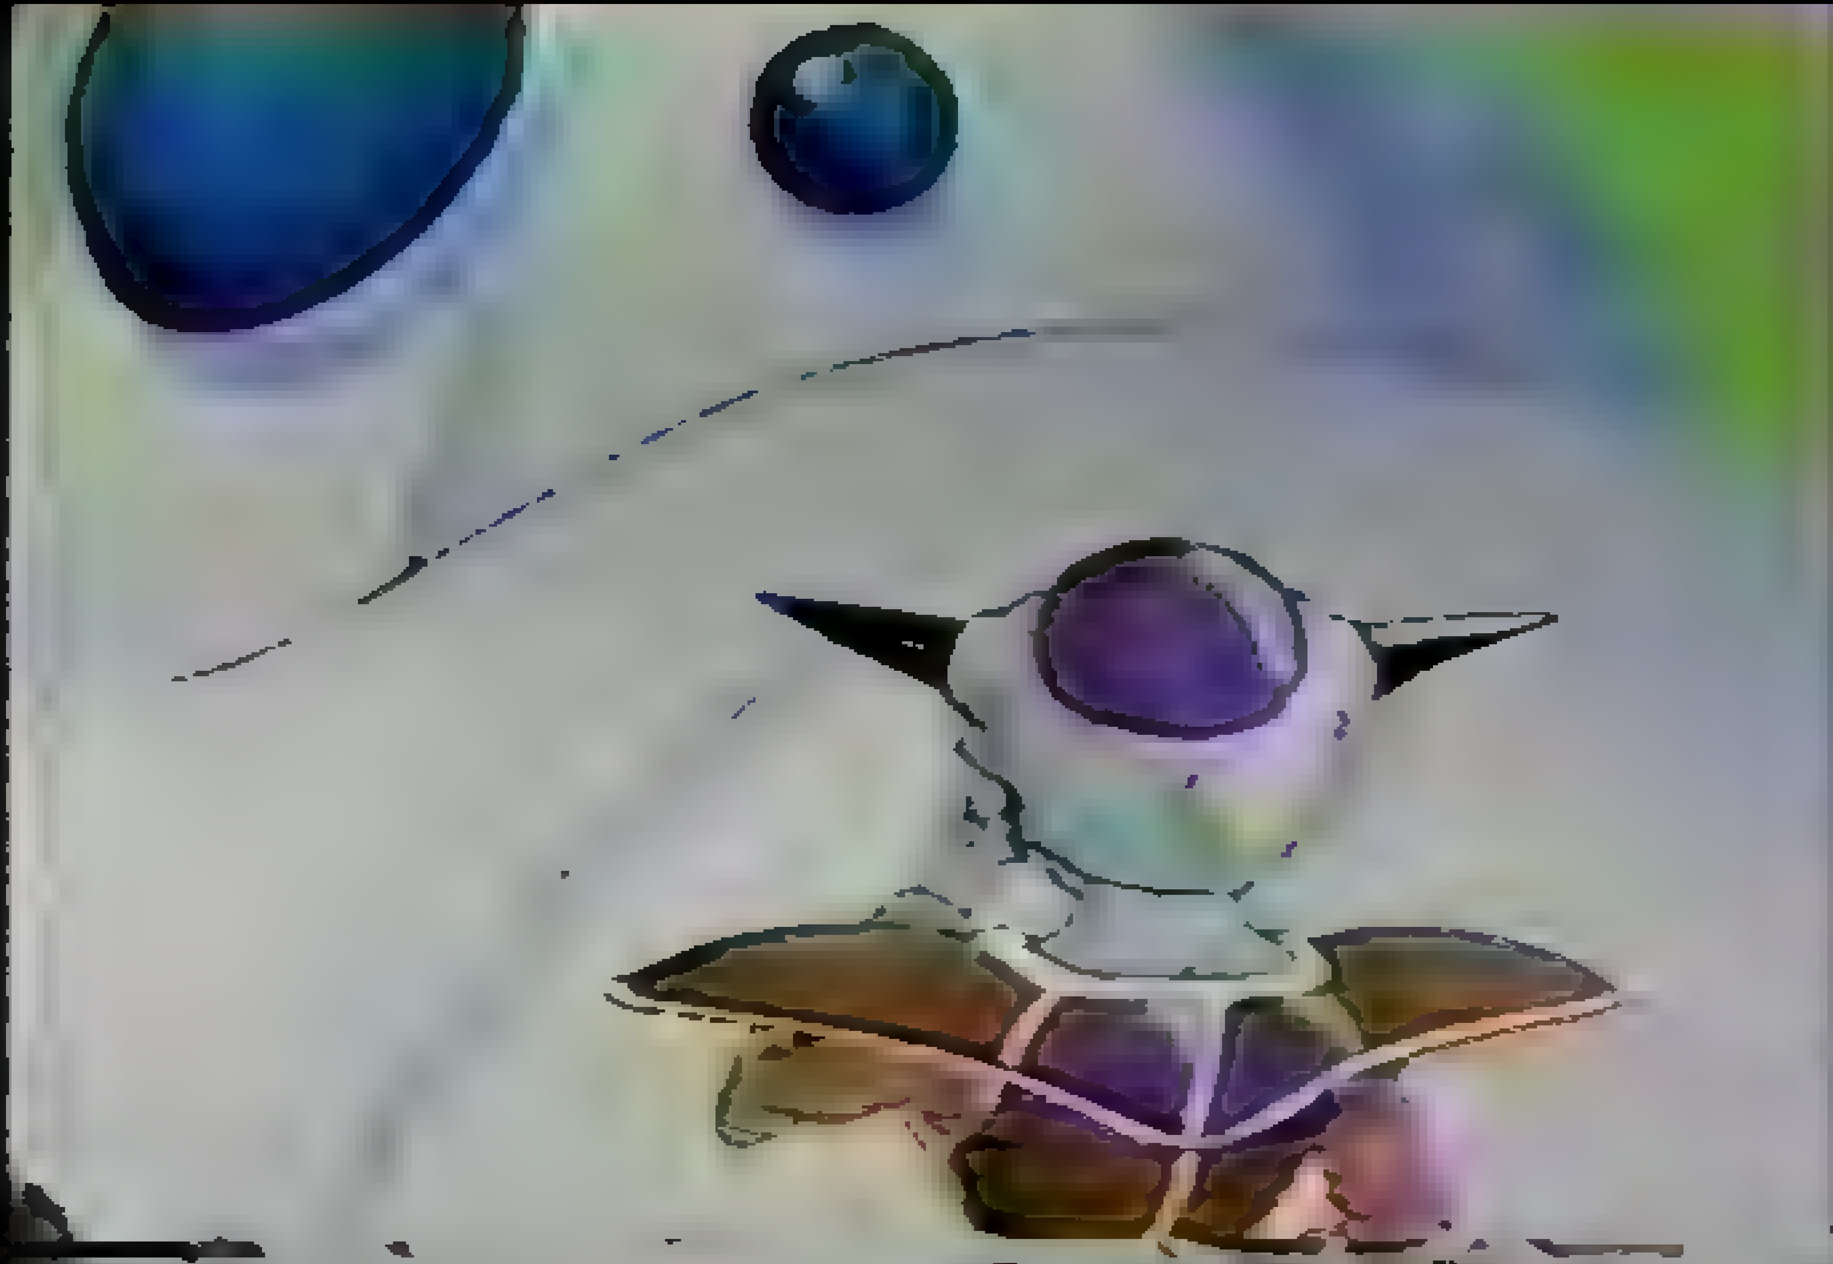

Pound this into your head!

If you kill the Senior Elder, the

the other Nameccians

It appears you are determined

It appears you are determined
not to tell me.

I'm counting on you, Ned

Please stall for as much

I understand

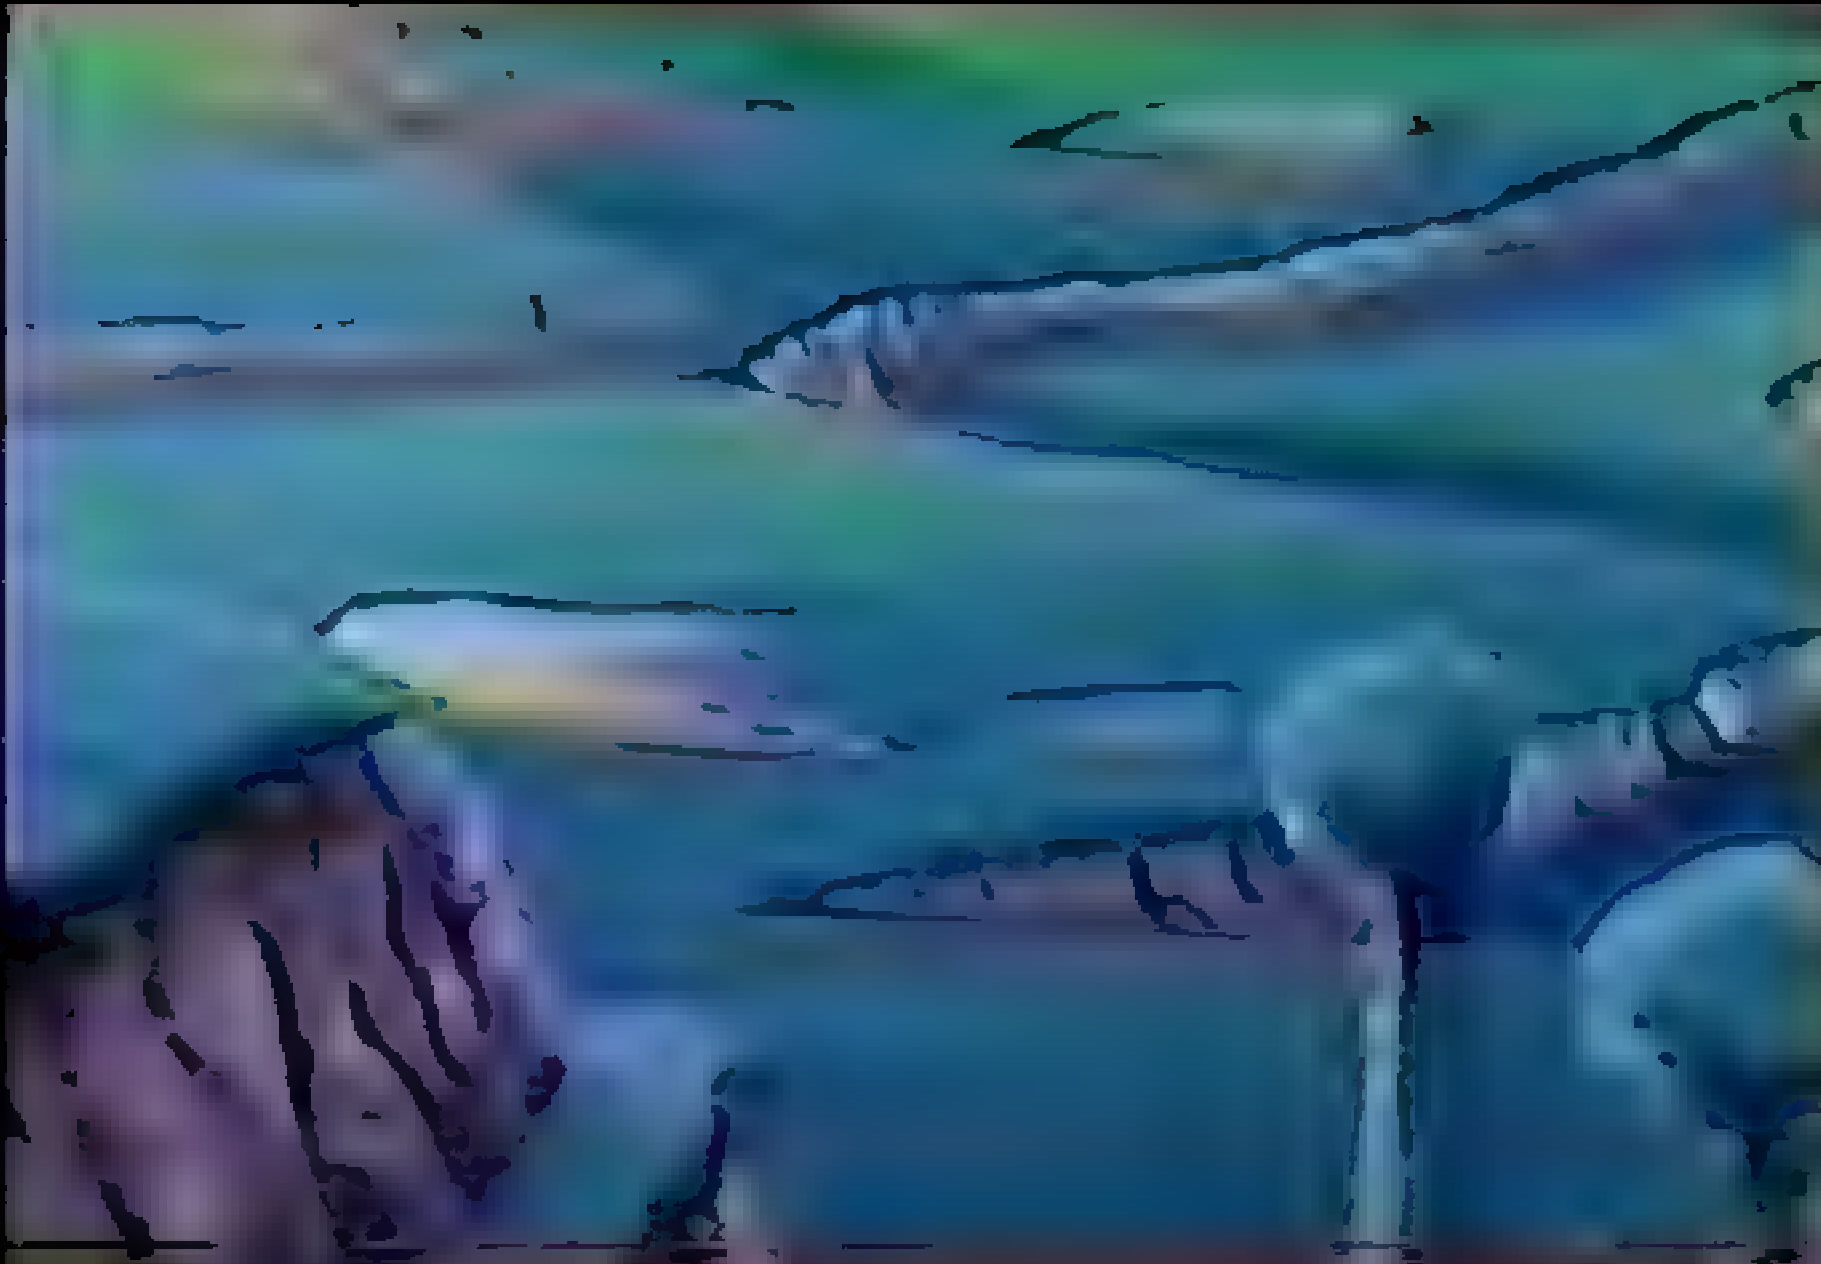

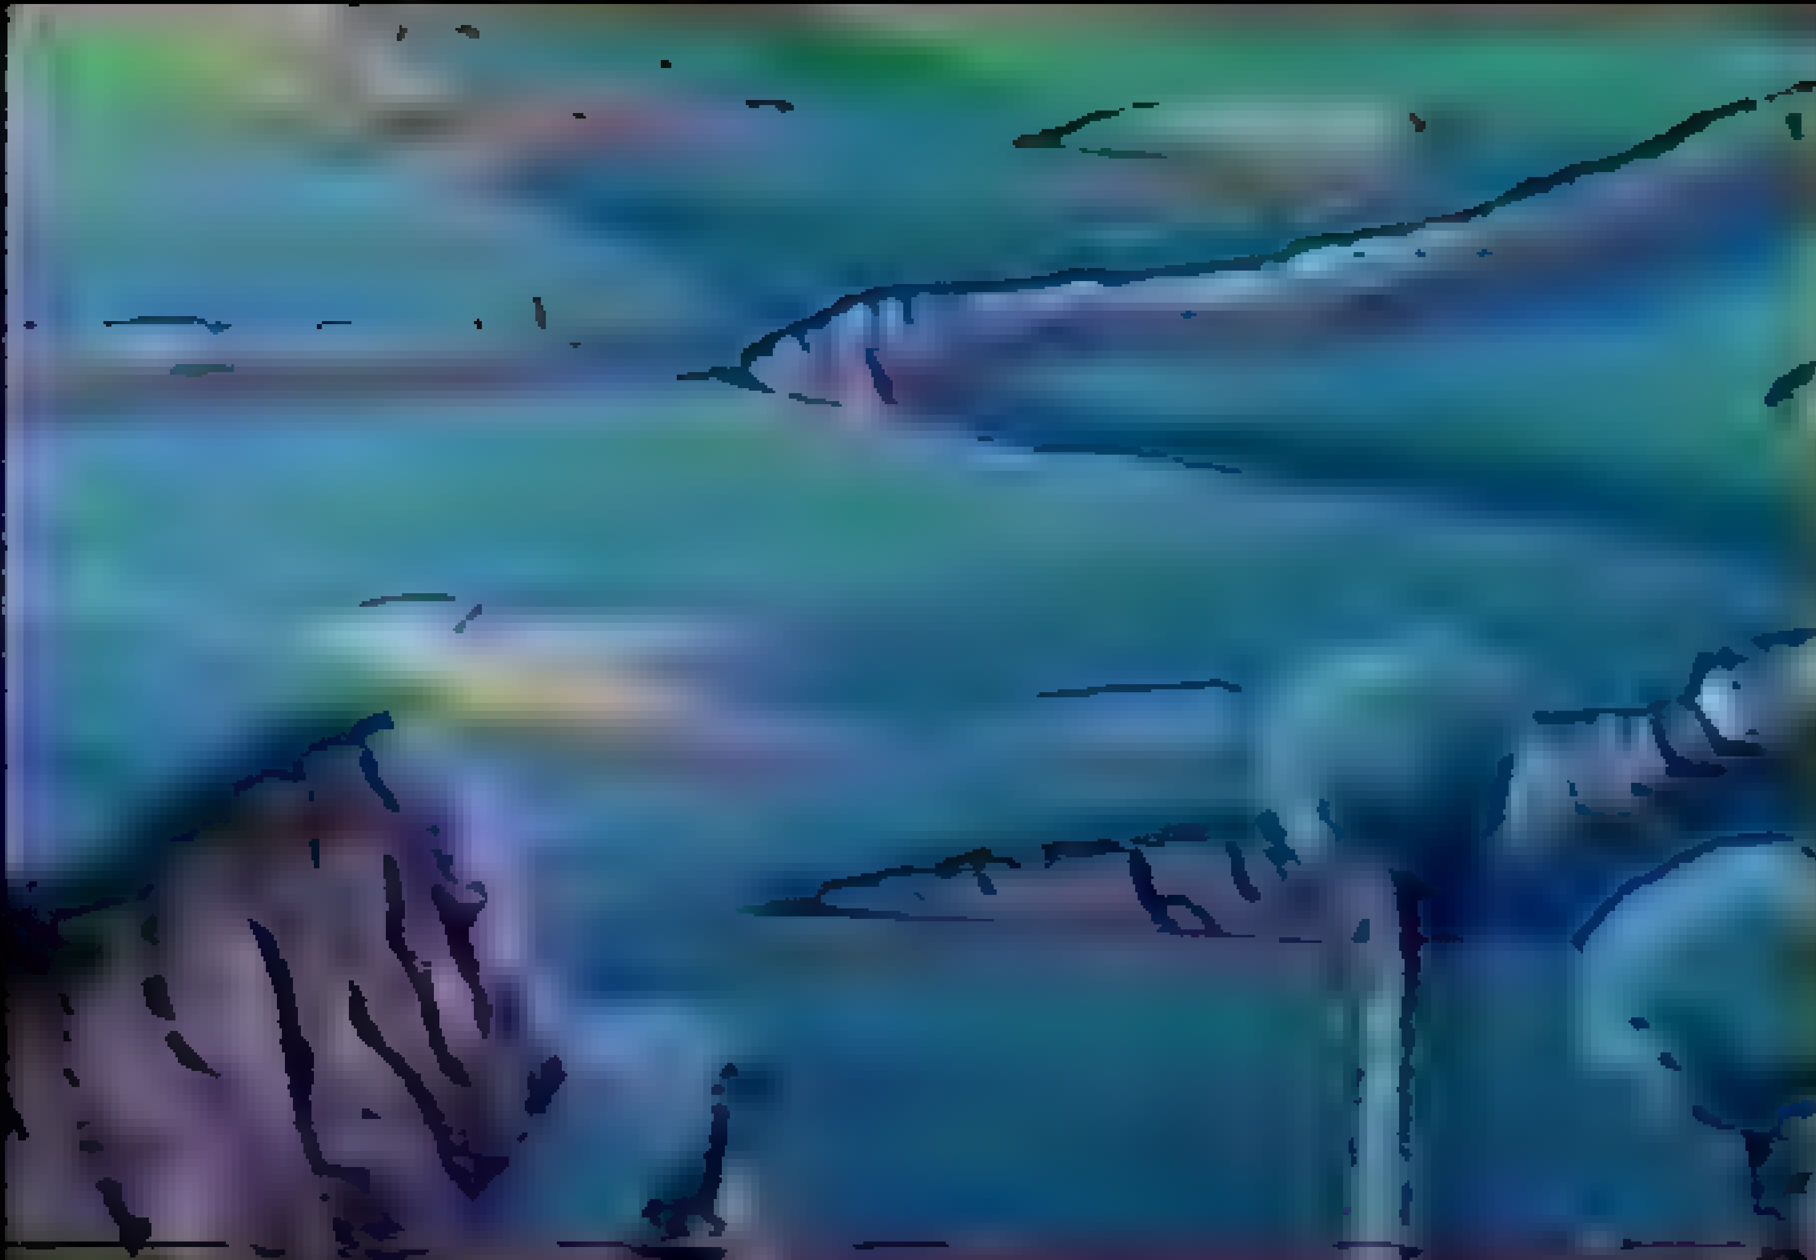

All right... If you insist on
being so stubborn.

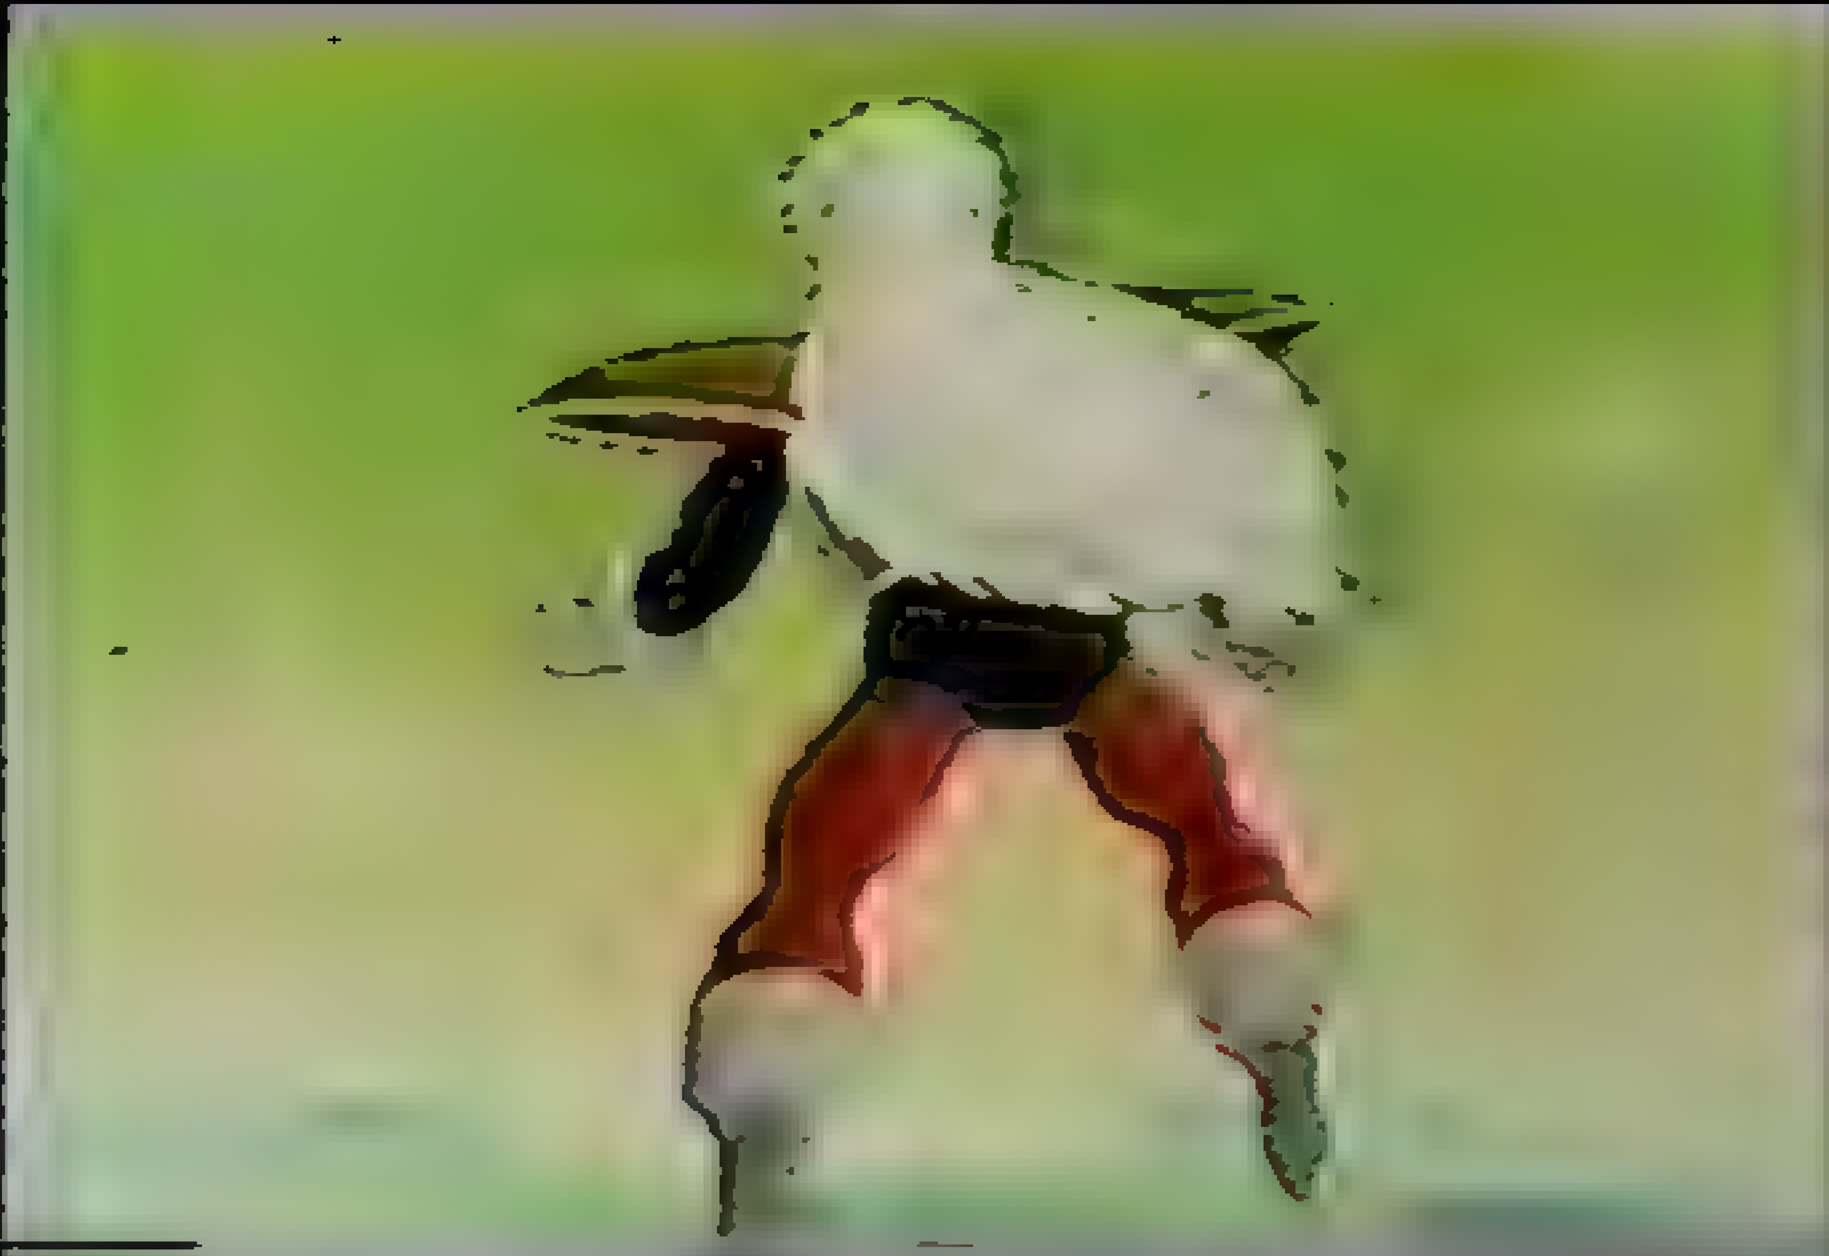

I will show you how frightening
